

## **Democracy and Dissent: An Introduction to Politics (POLS-1000/3)**

**Short answer questions:** Please answer two (2) of the following questions (40% each) in 2-3 paragraphs. *Please reference an example, drawing from in-class discussion.*

1. The relationship between state institutions and civil society is important in politics. Define this relationship using an example (ie. a political issue) and explain its dynamics.
2. Discuss the relationship of political studies (whether empirical or normative) to the practice and process of politics.
3. Please define the social contract and reference a social contract theorist.
4. Please define “classical liberalism,” and explain one of its contemporary ideological expressions.

**Please define two (2) of the following using a definition in the text or as discussed in class (20%):**

Authority / Power / State / Politics
